Please join Milltown Recreation this summer as we focus on Embracing Everyone Enthusiastically. We will raise awareness and funds for the Embrace Kids Foundation, which offers "unique programs and services that deliver a comprehensive and compassionate method of delivering care to families when they need it most. Embrace Kids Foundation exists to lighten the burden and improve the quality of life for children with cancer, sickle cell and other serious disorders in the New Jersey/New York City metropolitan area". We will continue to enjoy the many other exciting events and happenings in our Summer Recreation Program. Included in the many daily activities are Arts & Crafts, Sports, Group Games, Trips and other Special Events. Please keep in mind that this is a program designed to meet the needs of a large group of children and all who participate are expected to follow the rules and regulations set forth, as to provide a safe and pleasant environment for all.
