

Beginning Tuesday January 1,2019 Milltown Police Officers will be equipped with Body worn Cameras.

It is the policy of the Milltown Police Department to utilize body worn video/audio cameras (BWC) to assist agency personnel in the performance of their duties by providing an accurate and unbiased recorded account of an incident. The Milltown Police Department will use the both the WatchGuard Vista WiFi and or Vista XLT body worn cameras.

Vista WiFi

Vista XLT

The following images represent the most common ways the WatchGuard body worn cameras will be positioned on Milltown police officers:

Any questions or concerns regarding the use of Body worn Cameras can be directed to Lt. Dan Cononie at 732-828-1100 or at dcononie@milltownpd.org
